UPCOMING PROJECTS

WHAT TO EXPECT

The Hawks Nest Park

We are closely working with KHOPE Creative, a corporate sponsorship fundraising company to obtain sponsorships to add several amenities to The Hawks Nest and Steward Street Park. We have had several meetings with local businesses about fundraising opportunities.

Spell, Loftis & Hanahan Recreation Complex

Our maintenance continues to maintain these facilities as the season continues. This includes weed spot treatment, ant treatment, and any areas of concern. Now that the season has begun, our maintenance team will continue to look for ways to improve our facilities.

Otranto/Eagle Landing

Staff continues to maintain the cleanliness of Roma, Venice, and Manor Parks

Steward Street Park

Site work construction has begun on this project. While there may not be a lot of progress that can be seen, there is a lot of progress taking place such as ordering all material and coordinating different sub contractors. The anticipated completion date is late fall 2024.
